Objectives:

- Explore grief and bereavement at the end of life to help patients better manage the situation.
- Understand Medical Aid in Dying and utilize resources available to patients/providers.

Educational Format: This activity will be didactic with a Q & A period. This activity will be evaluated by each participant at the conclusion of the lecture.

Target Audience: The activity content is oriented to address the educational needs of physicians, nurses, administrators and social workers who care for patients at the end of life.

Accreditation Statement: City of Hope is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation: City of Hope designates this live activity for a maximum of **1.0 AMA PRA Category 1 Credit™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Allied Health Care Professionals: Registered nurses may report up to **1.0** credit hour toward the continuing education requirement for license renewal by their state Board of Registered Nurses (BRN). **AMA PRA Category 1 Credit™** may be noted on the license renewal application in lieu of a BRN provider number. ◆ The National Commission on Certification of Physician Assistants states that **AMA PRA Category 1 Credit™** accredited courses are acceptable for continuing medical education requirements for recertification.

Disclosure:

As an organization accredited by the ACCME City of Hope requires everyone who is in a position to control the content of an education activity to disclose prior to the activity all relevant financial relationships with any commercial interest. All disclosed relevant financial relationships will have been resolved prior to the commencement of the activity. We further require that prior to the activity faculty/presenter have disclosed their intention to discuss any off label and/or investigational (not yet approved for any purpose) use of pharmaceuticals or medical devices.

Moderator/Presenter: Chandana Banerjee, MD, HMDC, Kim Callinan, MPP, PMP and Amanda Villegas have indicated they do not have anything to disclose.

During the course of this activity there may be report and/or discussion of unlabeled or unapproved uses of pharmaceuticals and/or medical devices. All such report and/or discussion are attested to be based on evidence that is generally accepted within the profession of medicine and conforms to the generally accepted standards of experimental design, data collection and analysis.
