Multidisciplinary Approaches to Cancer Symposium

Welcome to the Multidisciplinary Approaches to Cancer Symposium, in Las Vegas, NV!

On behalf of City of Hope and the Department of Continuing Medical Education, we would like to thank you for joining us for this educational activity.

Interest and input from our participants encouraged us to continue to expand the focus of this symposium, incorporating requests and suggestions from attendees. The previous years of this symposium have been a great success and we are happy to have you join us this year.

Our goal is to provide the desired information and skills which physicians and allied health care providers need in order to better serve their patient populations and research. Your thoughts are valuable and important, so please share them with us on the evaluation that will be emailed to you at the conclusion of the symposium.

PHYSICIANS:

An opportunity to claim **ABIM MOC points** for this activity will be made available via an ABIM MOC Activity Self-Assessment (*Part II*) at the conclusion of the symposium.

The links to the *Evaluation* and *ABIM MOC Activity Self-Assessment (Part II)* can also be accessed under the **Symposium Tasks** page of this handout.

Should you have any questions, please visit the symposium staff at the registration desk.

For post-symposium CME information, please contact:

City of Hope
Department of Continuing Medical Education
1500 E. Duarte Road, Bldg. #175
Duarte, CA 91010
cme@coh.org
(626) 218-5622

Multidisciplinary Approaches to Cancer Symposium

Safety Protocols:

RECOMMENDED: Masks are recommended in all conference areas.

Masks should be worn correctly over your nose and mouth in all conference areas. Click following link for General Safety Protocols for Live Conferences :

<https://cme.cityofhope.org/content/safety-protocols-live-conferences>

Contactless Registrant Sign-in:

You must confirm your attendance **every day** at the symposium.

You will be provided with a unique code to record your attendance. You will need to text in the attendance code to the City of Hope CME text-in number (626-314-7448). Registrant sign-in, will also be facilitated via QR Code.

To ensure you are ready for *Contactless Registrant Sign-in*:

1. Please be sure to have with you the cell phone (mobile) you registered in your in your CME Profile.
If you have not done so yet, confirm your mobile number (*you only have to do this once*)

Log on to: <https://cme.cityofhope.org> Once logged on, click on "**My Account**" on the top right corner.

- If mobile number is correct and you see the word "DONE!" simply close out the page. You are done!
 - If you see "CONFIRM NUMBER", your mobile number is not yet confirmed. To confirm it:
 1. Click "DELETE NUMBER AND START OVER"
 2. Enter your mobile number (*do not include hyphens/dashes*), to receive a confirmation code.
 3. Enter Confirmation Code (*this will be texted to you*).
 4. Click "CONFIRM NUMBER" and once you see "DONE!" close out the page. You are done!
2. Save the **City of Hope CME text-in number** as a contact in your cell phone: **626-314-7448**
 3. Please ensure your cell phone is fully charged, as charging stations will not be available in the conference area.

Multidisciplinary Approaches to Cancer Symposium

MEETING MATERIALS

Check-in at the registration desk to receive conference materials and a name badge.

CONFERENCE NAME BADGE

Official conference name badge **must** be worn at all times to gain and maintain access to conference room and meals.

CONFERENCE LOCATION

Waldorf Astoria Las Vegas
3752 S. Las Vegas Blvd.
Las Vegas, NV 89158

EDUCATIONAL SESSIONS

Waldorf Ballroom

REGISTRATION DESK- HOURS OF OPERATION

DATE	TIME	LOCATION
Thursday, November 10	7:00 a.m. – 4:15 p.m.	Waldorf Ballroom Foyer
Friday, November 11	7:00 a.m. – 4:15 p.m.	Waldorf Ballroom Foyer
Saturday, November 12	8:00 a.m. – 11:15 a.m.	Waldorf Ballroom Foyer

CONFERENCE MEALS & BREAKS

DATE	DESCRIPTION	TIME	LOCATION
Thursday, November 10	Breakfast	7:00 a.m. – 8:25 a.m.	Waldorf Ballroom
Thursday, November 10	Lunch	11:40 a.m. – 12:30 p.m.	Waldorf Ballroom
Thursday, November 10	Refreshment Break	2:30 p.m. – 2:45 p.m.	Waldorf Ballroom
Friday, November 11	Breakfast	7:00 a.m. – 8:15 a.m.	Waldorf Ballroom
Friday, November 11	Lunch	11:40 a.m. – 12:30 p.m.	Waldorf Ballroom
Friday, November 11	Refreshment Break	3:00 p.m. – 3:15 p.m.	Waldorf Ballroom
Friday, November 11	Meet the Faculty Reception	6:00 p.m. – 8:00 p.m.	SkyBar at Waldorf Astoria
Saturday, November 12	Breakfast	8:00 a.m. – 8:55 a.m.	Waldorf Ballroom

EXHIBIT HALL & HOURS

DATE	TIME	LOCATION
Thursday, November 10	7:00 a.m. – 8:25 a.m.; 11:40 a.m. – 12:30 p.m.; 2:30 p.m. – 2:45 p.m.	Waldorf Ballroom
Friday, November 11	7:00 a.m. – 8:15 a.m.; 11:40 a.m. – 12:30 p.m.; 3:00 p.m. – 3:15 p.m.	Waldorf Ballroom
Saturday, November 12	8:00 a.m. – 8:55 a.m.	Waldorf Ballroom

Multidisciplinary Approaches to Cancer Symposium

Accreditation Statement

City of Hope is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation Statement

City of Hope designates this live activity for a maximum of 16.25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the educational activity.

The following may apply *AMA PRA Category 1 Credit™* for license renewal:

- **Registered Nurses:** Nurses may report up to 16.25 credit hours toward the continuing education requirements for license renewal by their state Board of Registered Nurses (BRN). CME may be noted on the license renewal application in lieu of a BRN provider number.
- **Physician Assistants:** The National Commission on Certification of Physician Assistants states that *AMA PRA Category 1 Credit™* accredited courses are acceptable for continuing medical education requirements for recertification.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 16.25 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Disclosure

This activity has been planned and implemented in strict compliance with the accreditation requirements, standards and policies of the ACCME. City of Hope takes responsibility for the content, quality and scientific integrity of this CME activity. Faculty and Planners have provided written disclosure of all relevant financial relationships which have been included in this handout. Any potential conflicts relative to the disclosure(s) have been resolved. City of Hope further encourages faculty/presenters to identify investigational products or off-label uses of products regulated by the U.S. Food and Drug Administration at first mention and where appropriate in the content. Please refer to the official prescribing information for each product for discussion of approved indications, contraindications, and warnings.

◆ CME Information ◆

Multidisciplinary Approaches to Cancer Symposium

Instructions for Obtaining CME Credit (AMA PRA Category 1 Credit™):

During the conference participants will be provided with a unique attendance code to record their attendance. Physicians and others who wish to receive *AMA PRA Category 1 Credit™* for this activity **must** text in the unique attendance code for this symposium, daily, in order to record their attendance.

The unique attendance code will need to be texted to the City of Hope CME text-in number (626-314-7448). If you have not yet saved this number as contact on your cell phone, please do so now, to ensure you are ready to record your attendance. The text-in method will also be facilitated via a QR code that will be available upon check-in, at the symposium registration desk.

Credit transcripts will be updated within a week to reflect your participation.

Retrieve your CME Transcripts by visiting the City of Hope CME website: <https://cme.cityofhope.org/>
Log in using your registered email and password.

Quick Tip!

Have trouble remembering your password? Once you log in to your account, do not log out, so you do not have to log back in!

Once logged in, click on the My Transcripts section at the top of the page, and click on "Completed Activities". You can then print your Credit Transcript or the individual Certificate, if desired.

For assistance, contact the Department of Continuing Medical Education at 626-218-5622 or cme@coh.org.

PHYSICIANS Seeking to Obtain ABIM MOC Points:

Physicians who wish to claim **ABIM MOC points** for this activity **must** comply with the instructions noted above to obtain *AMA PRA Category 1 Credit™* as well as the following:

- Complete and successfully pass the ABIM MOC Activity Self-Assessment (*Part II*), which will be made available to all physicians at the conclusion of the conference.
 - Minimum passing score of 70% will be required.
 - Participants will only have **ONE** opportunity to pass the Activity Self-Assessment (*Part II*).

Successful completion of the requirements noted above will award participants 16.25 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program.

Credit Transcripts will be updated within 30 days of the conclusion of the conference, to reflect ABIM MOC points earned.

IMPORTANT: Please ensure that your City of Hope CME portal profile accurately reflects your information, including *Name, DOB, Specialty Board* and *Diplomate ID*, to allow for successful reporting.

[Confirm your profile is accurate!](#)

For assistance, contact the Department of Continuing Medical Education at 626-218-5622 or cme@coh.org.

Multidisciplinary Approaches to Cancer Symposium

To ensure that you are receiving the most current slide sets presented, as well as keeping with City of Hope's "green initiative" to reduce waste, an e-syllabus containing slide sets is available for this activity online only (**printed presentation not available on-site**). We recommend you access available presentations prior to the conference and bring your computer or mobile device fully charged. We gratefully acknowledge the presenters for their permission to offer this material as an e-syllabus.

E-Syllabus Download/Printing Instructions: *(printed syllabus will not be provided on-site)*

If you would like to download or print a copy of available presentations simply:

1) Visit the following link:

[MAC 2022 | E-Syllabus](#)

2) Find the desired presentation and click on the title of the presentation you would like to download

3) The presentation will open and appear in PDF format

4) To save the presentation, click "Save As"

5) To print the presentation, click "Print"

AJCC Cancer Staging Forms

- Access to the AJCC Cancer Staging Forms is also available via the e-syllabus.

PLEASE NOTE:

- ❖ Some presentations not provided prior to the symposium will be accessible post-activity.
- ❖ All presentations will be available for 4 weeks following the conclusion of this educational activity.
- ❖ Presentations have been uploaded at the discretion of each faculty member.

CORE COMPETENCIES INFORMATION SHEET

PRACTICE-BASED LEARNING AND IMPROVEMENT

Physicians must be able to investigate and evaluate their patient care practices, appraise and assimilate scientific evidence, and improve their patient care practices.

CME programs address these issues if the topics relate to:

- analyzing practice experience and performing practice-based improvement activities using a systematic methodology
- locating, appraising, and assimilating evidence from scientific studies related to their patients' health problems
- obtaining and using information about their own population of patients and the larger population from which their patients are drawn
- applying knowledge of study designs and statistical methods to the appraisal of clinical studies and other information on diagnostic and therapeutic effectiveness
- using information technology to manage information, access on-line medical information; and support their own education
- facilitating the learning of students and other health care professionals

PATIENT CARE

Physicians must be able to provide patient care that is compassionate, appropriate, and effective for the treatment of health problems and the promotion of health.

CME programs address these issues if they address topics related to:

- The ability to communicate effectively and demonstrate caring and respectful behaviors when interacting with patients and their families;
- gathering essential and accurate information about their patients
- making informed decisions about diagnostic and therapeutic interventions based on patient information and preferences, up-to-date scientific evidence, and clinical judgment
- developing and carrying out patient management plans
- counseling and educating patients and their families
- using information technology to support patient care decisions and patient education
- performing competently all medical and invasive procedures considered essential for the area of practice
- providing health care services aimed at preventing health problems or maintaining health
- working with health care professionals, including those from other disciplines, to provide patient-focused care

SYSTEMS-BASED PRACTICE

Physicians must demonstrate an awareness of and responsiveness to the larger context and system of health care and the ability to effectively call on system resources to provide care that is of optimal value. **CME programs address these issues if the topics relate to:**

- understanding how their patient care and other professional practices affect other health care professionals, the health care organization, and the larger society and how these elements of the system affect their own practice
- knowing how types of medical practice and delivery systems differ from one another, including methods of controlling health care costs and allocating resources
- practicing cost-effective health care and resource allocation that does not compromise quality of care
- advocating for quality patient care and assisting patients in dealing with system complexities
- knowing how to partner with health care managers and health care providers to assess, coordinate, and improve health care and knowing how these activities can affect system performance

MEDICAL KNOWLEDGE

Physicians must demonstrate knowledge about established and evolving biomedical, clinical, and cognate (e.g. epidemiological and social-behavioral) sciences and the application of this knowledge to patient care. **CME programs address these issues if the topics relate to:**

- demonstration of an investigatory and analytic thinking approach to clinical situations
- knowledge and application of the basic and clinically supportive sciences which are appropriate to their discipline

INTERPERSONAL AND COMMUNICATION SKILLS

Physicians must be able to demonstrate interpersonal and communication skills that result in effective information exchange and teaming with patients, their patients families, and professional associates. **CME programs address these issues if the topics relate to:**

- creating and sustaining a therapeutic and ethically sound relationship with patients
- using effective listening skills and eliciting and providing information using effective nonverbal, explanatory, questioning, and writing skills
- working effectively with others as a member or leader of a health care team or other professional group

PROFESSIONALISM

Physicians must demonstrate a commitment to carrying out professional responsibilities, adherence to ethical principles, and sensitivity to a diverse patient population.

CME programs address these issues if the topics relate to:

- demonstrating respect, compassion, and integrity; responsiveness to the needs of patients and society that supersedes self-interest; accountability to patients, society, and the profession; and a commitment to excellence and on-going professional development
- demonstrating a commitment to ethical principles pertaining to provision or withholding of clinical care, confidentiality of patient information, informed consent, and business practices
- demonstrating sensitivity and responsiveness to patients' culture, age, gender, and disabilities

◆ Department of Continuing Medical Education ◆

**Conflict of Interest Disclosure and Resolution & Core Competencies
Multidisciplinary Approaches to Cancer Symposium
November 10-12, 2022**

City of Hope takes responsibility for the content, quality, and scientific integrity of this CME activity.

City of Hope is accredited by the Accreditation Council for Continuing Medical Education (ACCME). As a fully accredited ACCME Category 1 CME credit provider, the Continuing Medical Education Department has in place policies and procedures which insure the balance, independence, objectivity and scientific rigor in all of its educational activities. City of Hope complies with the [Standards for Integrity and Independence in Accredited Continuing Education](#) of the (ACCME), which REQUIRE that all relevant disclosed conflicts of interest be mitigated prior to the educational activity.

To this end all faculty presenters who are in a position to control the content of an educational activity must identify any real or apparent conflict(s) of interest by disclosing to the Department of CME all relevant financial relationships¹ with any ineligible company². To comply with more intense scrutiny by accreditation agencies, should you disclose any relevant conflict of interest with an ineligible company, the content of your presentation must be peer reviewed prior to presenting. Presentations will be provided to participants as an e-syllabus or in a meeting handout, all relevant disclosures will be made known to participants prior to the start of the activity.

In furtherance of program impartiality, we request the use of generic drug names in your presentation as opposed to trade names. Under no circumstances will we accept trade names. Additionally, contents of your presentation must be based solely on scientific methods generally accepted by the medical community. Data will have been objectively selected from peer-reviewed literature and will be presented in an unbiased manner.

CORE COMPETENCIES

The American Board of Medical Specialties (ABMS) and the Accreditation Council of Graduate Medical Education (ACGME) have embarked on a joint initiative to quantify and evaluate a set of 6 physician core competencies by which the individual physician will be measured for Residency Certification, Board Certification and more recently, Maintenance of Certification (MOC). Individual hospitals and other health care delivery organizations will now also be evaluated by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO) on their practice and demonstration of the 6 core competencies.

In brief, the actual term “core competencies” refers to those six abilities (competencies) that are central (core) to the practice of medicine, specifically: (1) Practice-Based Learning and Improvement, (2) Patient Care, (3) Systems-Based Practice, (4) Medical Knowledge, (5) Interpersonal and Communication Skills, and (6) Professionalism. To assist our conferees in demonstrating their completion of CME in the six core competencies, the educational content of each presentation will be noted by numbers 1-6 in the table below. CME certificates for this activity will reflect those core competencies addressed by the educational content of the overall conference.

Conference Faculty	Commercial Interest	Conflict/ Resolution & Faculty Discussion of Off-Label Drugs	Core Competencies

The educational content has been peer-reviewed, an attestation on file and no conflicts were noted.	1, 2, 3, 4, 5 & 6

1. The ACCME defines "relevant financial relationships" as financial relationships with an ineligible company (in any amount), occurring within the past 24 months, that create a conflict of interest.
2. The ACCME defines an "Ineligible company" as any entity producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

Multidisciplinary Approaches to Cancer Symposium

THURSDAY, NOVEMBER 10, 2022

7:00 - 8:25 AM	REGISTRATION / BREAKFAST / EXHIBITS
8:25 - 8:30 AM	Welcome & Announcements Christina Yeon, MD
8:30 - 9:00 AM	Optimizing Treatment of Metastatic HER2 Positive Breast Cancer Sayeh Lavasani, MD, MS
9:00 - 9:30 AM	Triple Negative Breast Cancer Update: From Immunotherapy to Antibody-Drug Conjugates Yuan Yuan, MD, PhD
9:30 - 10:00 AM	Innovations in Comprehensive Breast Cancer Reconstruction Alex K. Wong, MD
10:00 - 10:40 AM	Plenary Session Telehealth: Pros, Cons and Pitfalls Howard (Jack) West, MD
10:40 - 11:10 AM	TransOral Robotic Surgery (TORS) vs Radiotherapy Debate and Role of De-Escalation Moderator: Colton Ladbury, MD Ellie Maghami, MD Benjamin Cahan, MD Victoria Villafior, MD
11:10 - 11:40 AM	Managing Difficult Symptoms Sorin Buga, MD Jennifer Baecker, NP
11:40 AM - 12:30 PM	LUNCH/EXHIBITS
12:30 - 1:00 PM	Skin Tumor Board Yan Xing, MD, PhD Badri Modi, MD Arya Amini, MD
1:00 - 1:30 PM	Understanding Myeloproliferative Neoplasm Idoroenyi Amanam, MD
1:30 - 2:00 PM	Developments in Myeloma Scott Goldsmith, MD
2:00 - 2:30 PM	What's New in Chronic Lymphocytic Leukemia (CLL) Tanya Siddiqi, MD
2:30 - 2:45 PM	REFRESHMENT BREAK/EXHIBITS
2:45 - 3:15 PM	Latest Management Updates in Diffuse Large B Cell Lymphoma (DLBCL) Swetha Kambhampati, MD
