## Advances and Innovations in Endoscopic Oncology and Multidisciplinary Gastrointestinal Cancer Care

*Welcome* to the Annual Advances and Innovations in Endoscopic Oncology and Multidisciplinary Gastrointestinal Cancer Care Conference, in Scottsdale, AZ!

On behalf of City of Hope and the Department of Continuing Medical Education, we would like to thank you for joining us for this educational activity.

Interest and input from our participants is encouraged so that we may incorporate requests and suggestions into future activities.

Our goal is to provide the desired information and skills which physicians and allied health care providers need in order to better serve their patient populations and research. Your thoughts are valuable and important, so please share them with us on the evaluation that will be emailed to you at the conclusion of the conference.

Should you have any questions, please visit the conference staff at the registration desk.

For post-conference CME information, please contact:

City of Hope

### Safety Protocols:

**RECOMMENDED:** Masks are recommended in all conference areas.

*Masks should be worn correctly over your nose and mouth in all conference areas.*

### Contactless Registrant Sign-in:

You must confirm your attendance **every day** at the conference.

You will be provided with a unique code to record your attendance. You will need to text in the attendance code to the City of Hope CME text-in number (626-314-7448). Registrant sign-in, can also be completed via QR Code.

To ensure you are ready for *Contactless Registrant Sign-in*:

1. Please be sure to have with you the cell phone (mobile) you registered in your CME Profile.  
**If you have not done so yet, confirm your mobile number (*you only have to do this once*)**

Log on to: <https://cme.cityofhope.org> Once logged on, click on "My Account" on the top right corner → Click on the "Edit" tab → then click on the "Mobile" tab:

- If mobile number is correct and you see the word "DONE!" simply close out the page. You are done!
  - If you see "CONFIRM NUMBER", your mobile number is not yet confirmed. To confirm it:
    1. Click "DELETE NUMBER AND START OVER."
    2. Enter your mobile number (*do not include hyphens/dashes*), to receive a confirmation code.
    3. Enter Confirmation Code (*this will be texted to you*).
    4. Click "CONFIRM NUMBER" and once you see "DONE!" close out the page. You are done!
2. Save the **City of Hope CME text-in number** as a contact in your cell phone: **626-314-7448**
  3. Please ensure your cell phone is fully charged, as charging stations will not be available in the conference area.

### **Accreditation Statement**

City of Hope is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

### **Credit Designation Statement**

City of Hope designates this live activity for a maximum of 8.0 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the educational activity.

The following may apply *AMA PRA Category 1 Credit*™ for license renewal:

- **Registered Nurses:** Nurses may report up to 8.0 credit hours toward the continuing education requirements for license renewal by their state Board of Registered Nurses (BRN). CME may be noted on the license renewal application in lieu of a BRN provider number.
- **Physician Assistants:** The National Commission on Certification of Physician Assistants states that *AMA PRA Category 1 Credit*™ accredited courses are acceptable for continuing medical education requirements for recertification.

### **Disclosure**

This activity has been planned and implemented in strict compliance with the accreditation requirements, standards and policies of the ACCME. City of Hope takes responsibility for the content, quality and scientific integrity of this CME activity. Faculty and Planners have provided written disclosure of all relevant financial relationships which have been included in this handout. Any potential conflicts relative to the disclosure(s) have been resolved. City of Hope further encourages faculty/presenters to identify investigational products or off-label uses of products regulated by the U.S. Food and Drug Administration at first mention and where appropriate in the content. Please refer to the official prescribing information for each product for discussion of approved indications, contraindications, and warnings.

### **Instructions for Obtaining CME Credit (AMA PRA Category 1 Credit™):**

During the conference participants will be provided with a unique attendance code to record their attendance. Physicians and others who wish to receive *AMA PRA Category 1 Credit™* for this activity **must** text in the unique attendance code for this conference, daily, in order to record their attendance.

The unique attendance code will need to be texted to the City of Hope CME text-in number (626-314-7448). If you have not yet saved this number as contact on your cell phone, please do so now, to ensure you are ready to record your attendance. The text-in method will also be facilitated via a QR code that will be available upon check-in, at the conference registration desk.

Credit transcripts will be updated within a week to reflect your participation.

Retrieve your CME Transcripts by visiting the City of Hope CME website: <https://cme.cityofhope.org/>  
Log in using your registered email and password.

### ***Quick Tip!***

Have trouble remembering your password? Once you log in to your account, do not log out, so you do not have to log back in!

Once logged in, click on the My Transcripts section at the top of the page, and click on "Completed Activities". You can then print your Credit Transcript or the individual Certificate, if desired.

For assistance, contact the Department of Continuing Medical Education at 626-218-5622 or [cme@coh.org](mailto:cme@coh.org).

## Advances and Innovations in Endoscopic Oncology and Multidisciplinary Gastrointestinal Cancer Care

To ensure that you are receiving the most current slide sets presented, as well as keeping with City of Hope's "green initiative" to reduce waste, an e-syllabus containing slide sets is available for this activity online only (**printed presentation not available on-site**). We recommend you access available presentations prior to the conference and bring your computer or mobile device fully charged. We gratefully acknowledge the presenters for their permission to offer this material as an e-syllabus.

### **E-Syllabus Download/Printing Instructions: *(printed syllabus will not be provided on-site)***

If you would like to download or print a copy of available presentations simply:

- 1) Visit the following link: [AIGI | E-Syllabus](#)
- 2) Find the desired presentation and click on the title of the presentation you would like to download
- 3) The presentation will open and appear in PDF format
- 4) To save the presentation, click "Save As"
- 5) To print the presentation, click "Print"

### **AJCC Cancer Staging Forms**

- Access to the AJCC Cancer Staging Forms is also available via the e-syllabus.

### **PLEASE NOTE:**

- ❖ Some presentations not provided prior to the conference will be accessible post-activity.
- ❖ All presentations will be available for 4 weeks following the conclusion of this educational activity.
- ❖ Presentations have been uploaded at the discretion of each faculty member.
