## Mastering Comprehensive GI Cancer Care: APP & Nursing Workshop

*Welcome* to the Mastering Comprehensive GI Cancer Care: APP & Nursing Workshop, in Scottsdale, AZ!

On behalf of City of Hope and the Department of Continuing Medical Education, we would like to thank you for joining us for this educational activity.

Interest and input from our participants is encouraged so that we may incorporate requests and suggestions into future activities.

Our goal is to provide the desired information and skills which allied health care providers need in order to better serve their patient populations and research. Your thoughts are valuable and important, so please share them with us on the evaluation that will be emailed to you at the conclusion of the workshop.

Should you have any questions, please visit the conference staff at the registration desk.

For post-conference CME information, please contact:

### **Accreditation Statement**

City of Hope is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

### **Credit Designation Statement**

City of Hope designates this live activity for a maximum of 3.25 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the educational activity.

The following may apply *AMA PRA Category 1 Credit*™ for license renewal:

- **Registered Nurses:** Nurses may report up to 3.25 credit hours toward the continuing education requirements for license renewal by their state Board of Registered Nurses (BRN). CME may be noted on the license renewal application in lieu of a BRN provider number.
- **Physician Assistants:** The National Commission on Certification of Physician Assistants states that *AMA PRA Category 1 Credit*™ accredited courses are acceptable for continuing medical education requirements for recertification.

### **Disclosure**

This activity has been planned and implemented in strict compliance with the accreditation requirements, standards and policies of the ACCME. City of Hope takes responsibility for the content, quality and scientific integrity of this CME activity. Faculty and Planners have provided written disclosure of all relevant financial relationships which have been included in this handout. Any potential conflicts relative to the disclosure(s) have been resolved. City of Hope further encourages faculty/presenters to identify investigational products or off-label uses of products regulated by the U.S. Food and Drug Administration at first mention and where appropriate in the content. Please refer to the official prescribing information for each product for discussion of approved indications, contraindications, and warnings.

### **Instructions for Obtaining CME Credit (AMA PRA Category 1 Credit™):**

During the workshop participants will be provided with a unique attendance code to record their attendance. Physicians and others who wish to receive *AMA PRA Category 1 Credit™* for this activity **must** text in the unique attendance code for this workshop in order to record their attendance.

The unique attendance code will need to be texted to the City of Hope CME text-in number (626-314-7448). If you have not yet saved this number as contact on your cell phone, please do so now, to ensure you are ready to record your attendance. The text-in method will also be facilitated via a QR code that will be available upon check-in, at the conference registration desk.

Credit transcripts will be updated within a week to reflect your participation.

Retrieve your CME Transcripts by visiting the City of Hope CME website: <https://cme.cityofhope.org/>  
Log in using your registered email and password.

### ***Quick Tip!***

Have trouble remembering your password? Once you log in to your account, do not log out, so you do not have to log back in!

Once logged in, click on the My Transcripts section at the top of the page, and click on "Completed Activities". You can then print your Credit Transcript or the individual Certificate, if desired.

For assistance, contact the Department of Continuing Medical Education at 626-218-5622 or [cme@coh.org](mailto:cme@coh.org).

## Mastering Comprehensive GI Cancer Care: APP & Nursing Workshop

To ensure that you are receiving the most current slide sets presented, as well as keeping with City of Hope's "green initiative" to reduce waste, an e-syllabus containing slide sets is available for this activity online only (**printed presentation not available on-site**). We recommend you access available presentations prior to the conference and bring your computer or mobile device fully charged. We gratefully acknowledge the presenters for their permission to offer this material as an e-syllabus.
