Multidisciplinary Approaches to Cancer Symposium

Welcome to the Multidisciplinary Approaches to Cancer Symposium, in Las Vegas, NV!

On behalf of City of Hope and the Department of Continuing Medical Education, we would like to thank you for joining us for this educational activity.

Interest and input from our participants encouraged us to continue to expand the focus of this symposium, incorporating requests and suggestions from attendees. The previous years of this symposium have been a great success, and we are happy to have you join us this year.

Our goal is to provide the desired information and skills which physicians and allied health care providers need in order to better serve their patient populations and research. Your thoughts are valuable and important, so please share them with us on the evaluation that will be emailed to you at the conclusion of the symposium. The link to the *Evaluation* can also be accessed under the **Symposium Task** page of this handout.

PHYSICIANS:

An opportunity to claim **ABIM MOC points** for this activity will be made available via an ABIM MOC Activity Self-Assessment (*Part II*) at the conclusion of the symposium.

The links to the *Evaluation* and *ABIM MOC Activity Self-Assessment (Part II)* can also be accessed under the **Symposium Tasks** page of this handout.

Should you have any questions, please visit the symposium staff at the registration desk.

For post-symposium CME information, please contact:

City of Hope
Department of Continuing Medical Education
1500 E. Duarte Road, Bldg. #175
Duarte, CA 91010
cme@coh.org
(626) 218-5622

♦ General Information ♦

Multidisciplinary Approaches to Cancer Symposium

Contactless Registrant Sign-in:

You must confirm your attendance **daily** at the symposium.

You will be provided with a unique code to record your attendance. You will need to text in the attendance code to the City of Hope CME text-in number (626-314-7448). Registrant sign-in can also be completed via QR Code.

To ensure you are ready for Contactless Registrant Sign-in:

1. Please be sure to have with you the cell phone (mobile) you registered in your CME Profile. If you have not done so yet, confirm your mobile number (you only have to do this once).

Log on to: https://cme.cityofhope.org Once logged on, click on "My Account" on the top right corner \rightarrow Click on the "Edit" tab \rightarrow then click on the "Mobile" tab:

- If mobile number is correct and you see the word "DONE!" simply close out the page. You are done!
- If you see "CONFIRM NUMBER", your mobile number is not yet confirmed. To confirm it:
 - 1. Click "DELETE NUMBER AND START OVER."
 - 2. Enter your mobile number (do not include hyphens/dashes), to receive a confirmation code.
 - 3. Enter Confirmation Code (this will be texted to you).
 - 4. Click "CONFIRM NUMBER" and once you see "DONE!" close out the page. You are done!
- 2. Save the City of Hope CME text-in number as a contact in your cell phone: 626-314-7448.
- 3. Please ensure your cell phone is fully charged, as charging stations will not be available in the symposium area.

Multidisciplinary Approaches to Cancer Symposium

Accreditation Statement

City of Hope is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation Statement

City of Hope designates this live activity for a maximum of 13.25 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the educational activity.

The following may apply *AMA PRA Category 1 Credit*[™] for license renewal:

- Registered Nurses: Nurses may report up to 13.25 credit hours toward the continuing education requirements for license renewal by their state Board of Registered Nurses (BRN). CME may be noted on the license renewal application in lieu of a BRN provider number.
- Physician Assistants: The National Commission on Certification of Physician Assistants states that AMA
 PRA Category 1 Credit™ accredited courses are acceptable for continuing medical education requirements
 for recertification.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 13.25 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC)

program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Disclosure

This activity has been planned and implemented in strict compliance with the accreditation requirements, standards and policies of the ACCME. City of Hope takes responsibility for the content, quality and scientific integrity of this CME activity. Faculty and Planners have provided written disclosure of all relevant financial relationships which have been included in this handout. Any potential conflicts relative to the disclosure(s) have been resolved. City of Hope further encourages faculty/presenters to identify investigational products or off-label uses of products regulated by the U.S. Food and Drug Administration at first mention and where appropriate in the content. Please refer to the official prescribing information for each product for discussion of approved indications, contraindications, and warnings.

♦ CME Information ♦

Multidisciplinary Approaches to Cancer Symposium

<u>Instructions for Obtaining CME Credit</u> (AMA PRA Category 1 Credit™):

During the symposium participants will be provided with a unique attendance code to record their attendance. Physicians and others who wish to receive AMA PRA Category 1 CreditTM for this activity **must** text in the unique attendance code for this symposium, daily, in order to record their attendance.

The unique attendance code will need to be texted to the City of Hope CME text-in number (626-314-7448). If you have not yet saved this number as contact on your cell phone, please do so now, to ensure you are ready to record your attendance. The text-in method will also be facilitated via a QR code that will be available upon check-in, at the symposium registration desk.

Credit transcripts will be updated within a week to reflect your participation.

Retrieve your CME Transcripts by visiting the City of Hope CME website: https://cme.cityofhope.org/ Log in using your registered email and password.

Quick Tip!

Have trouble remembering your password? Once you log in to your account, do not log out, so you do not have to log back in!

Once logged in, click on the <u>My Transcripts</u> section at the top of the page, and click on "<u>Completed Activities</u> <u>Credits</u>". You can then print your Credit Transcript or the individual Certificate, if desired.

For assistance, contact the Department of Continuing Medical Education at 626-218-5622 or cme@coh.org.

PHYSICIANS Seeking to Obtain ABIM MOC Points:

Physicians who wish to claim **ABIM MOC points** for this activity **must** comply with the instructions noted above to obtain *AMA PRA Category 1 Credit*TM as well as the following:

- Complete and successfully pass the ABIM MOC Activity Self-Assessment (*Part II*), which will be made available to all physicians at the conclusion of the symposium.
 - o Minimum passing score of 70% will be required.
 - o Participants will only have **ONE** opportunity to pass the Activity Self-Assessment (Part II).

Successful completion of the requirements noted above will award participants 13.25 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program.

Credit Transcripts will be updated within 30 days of the conclusion of the symposium, to reflect ABIM MOC points earned.

IMPORTANT: Please ensure that your City of Hope CME portal profile accurately reflects your information, including *Name*, *DOB*, *Specialty Board* and *Diplomate ID*, to allow for successful reporting.

<u>Confirm your profile is accurate!</u>
https://cme.CityOfHope.org/ → My Account

Multidisciplinary Approaches to Cancer Symposium

To ensure that you are receiving the most current slide sets presented, as well as keeping with City of Hope's "green initiative" to reduce waste, an e-syllabus containing slide sets is available for this activity online only (printed presentation not available on-site). We recommend you access available presentations prior to the symposium and bring your computer or mobile device fully charged. We gratefully acknowledge the presenters for their permission to offer this material as an e-syllabus.

E-Syllabus Download/Printing Instructions: (printed syllabus will not be provided on-site)

If you would like to download or print a copy of available presentations simply:

- 1) Visit the following link: 2025 MAC | E-Syllabus: https://cme.cityofhope.org/content/2025-mac-e-syllabus
- 2) Find the desired presentation and click on the title of the presentation you would like to download
- 3) The presentation will open and appear in PDF format
- 4) To save the presentation, click "Save As"
- 5) To print the presentation, click "Print"

AJCC Cancer Staging Forms

Access to the AJCC Cancer Staging Forms is also available via the e-syllabus.

PLEASE NOTE:

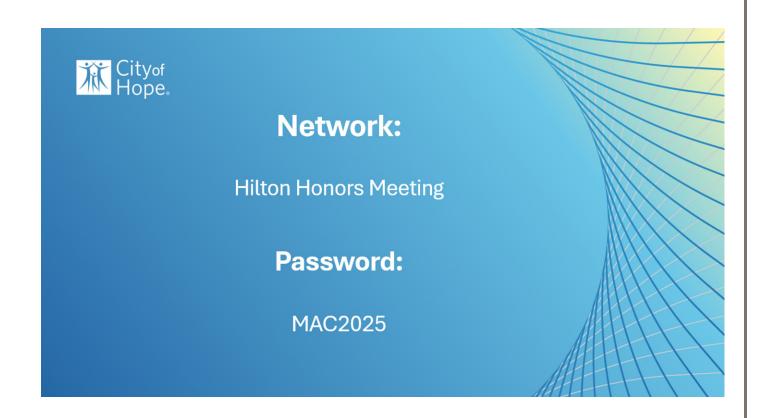

- Some presentations not provided prior to the symposium will be accessible post-activity.
- ❖ All presentations will be available for 4 weeks following the conclusion of this educational activity.
- Presentations have been uploaded at the discretion of each faculty member
