Multidisciplinary Approaches to Cancer Symposium

Welcome to the Multidisciplinary Approaches to Cancer Symposium, in O'ahu, Hawaii!

On behalf of City of Hope and the Department of Continuing Medical Education, we would like to thank you for joining us for this educational activity.

Interest and input from our participants encouraged us to continue to expand the focus of this symposium, incorporating requests and suggestions from attendees. The previous years of this symposium have been a great success, and we are happy to have you join us this year.

Our goal is to provide the desired information and skills which physicians and allied health care providers need in order to better serve their patient populations and research. Your thoughts are valuable and important, so please share them with us on the evaluation that will be emailed to you at the conclusion of the symposium.

PHYSICIANS:

An opportunity to claim **ABIM MOC points** for this activity will be made available via an ABIM MOC Activity Self-Assessment (*Part II*) at the conclusion of the symposium, once you complete the evaluation.

The links to the *Evaluation* and *ABIM MOC Activity Self-Assessment (Part II)* can also be accessed under the **Symposium Tasks** page of this handout.

Should you have any questions, please visit the symposium staff at the registration desk.

For post-symposium CME information, please contact:

City of Hope
Department of Continuing Medical Education
1500 E. Duarte Road, Bldg. #175
Duarte, CA 91010
cme@coh.org
(626) 218-5622

◆ General Information ◆

Multidisciplinary Approaches to Cancer Symposium

Contactless Registrant Sign-in:

You must confirm your attendance **daily** at the symposium.

You will be provided with a unique code to record your attendance. You will need to text in the attendance code to the City of Hope CME text-in number (626-314-7448). Registrant sign-in can also be completed via QR Code.

To ensure you are ready for *Contactless Registrant Sign-in*:

1. Please be sure to have with you the cell phone (mobile) you registered in your CME Profile.
If you have not done so yet, confirm your mobile number (*you only have to do this once*).

Log on to: <https://cme.cityofhope.org> Once logged on, click on "**My Account**" on the top right corner → Click on the "Edit" tab → then click on the "Mobile" tab:

- If mobile number is correct and you see the word "DONE!" simply close out the page. You are done!
- If you see "CONFIRM NUMBER", your mobile number is not yet confirmed. To confirm it:
 1. Click "DELETE NUMBER AND START OVER."
 2. Enter your mobile number (*do not include hyphens/dashes*), to receive a confirmation code.
 3. Enter Confirmation Code (*this will be texted to you*).
 4. Click "CONFIRM NUMBER" and once you see "DONE!" close out the page. You are done!
- 2. Save the **City of Hope CME text-in number** as a contact in your cell phone: **626-314-7448**.
- 3. Please ensure your cell phone is fully charged, as charging stations will not be available in the symposium area.

◆ E-Syllabus ◆

Multidisciplinary Approaches to Cancer Symposium

To ensure that you are receiving the most current slide sets presented, as well as keeping with City of Hope's "green initiative" to reduce waste, an e-syllabus containing slide sets is available for this activity online only (**printed presentation not available on-site**). We recommend you access available presentations prior to the symposium and bring your computer or mobile device fully charged. We gratefully acknowledge the presenters for their permission to offer this material as an e-syllabus.

E-Syllabus Download/Printing Instructions: *(printed syllabus will not be provided on-site)*

If you would like to download or print a copy of available presentations simply:

- 1) Visit the following link:
2026 MAC | E-Syllabus: <https://cme.cityofhope.org/content/2026-mac-e-syllabus>
- 2) Find the desired presentation and click on the title of the presentation you would like to download
- 3) The presentation will open and appear in PDF format
- 4) To save the presentation, click "Save As"
- 5) To print the presentation, click "Print"

AJCC Cancer Staging Forms

- Access to the AJCC Cancer Staging Forms is also available via the e-syllabus.

PLEASE NOTE:

- ❖ Some presentations not provided prior to the symposium will be accessible post-activity.
- ❖ All presentations will be available for 4 weeks following the conclusion of this educational activity.
- ❖ Presentations have been uploaded at the discretion of each faculty member
